

Introduction to Foetal Alcohol Spectrum Disorders (FASD)

General Outline

This training will give you an overview of the causes of, and difficulties experienced by, learners with FASD, and what strategies and additional supports can be put in place at school to support them in schools.

This 2 hours Teams webinar is suitable for SENCOs, wider school leaders, Teachers and Teaching Assistants in Primary and Secondary Schools.

Colleagues are welcome at the end of the session to ask and discuss questions with the presenters
